1. Policy statement and principles

1.1 Policy aims and principles

- 1.1.1 This policy is designed to ensure there is an open and fair admissions procedure for all applicants and to help guide parents and their children through the application process. The academy's admissions arrangements will not disadvantage unfairly, either directly or indirectly, a child from a particular social or racial group, or a child with a disability or special educational needs, and that other academy policies do not discourage parents from applying for a place for their child.
- 1.1.2 This policy details the academies arrangements for admissions and will apply to all admissions from 1st September 2021 to 31st August 2022. This includes in-year admissions within this period.
- 1.1.3 Parents are encouraged to visit the academy with their child if they are planning to apply for a place. We have a number of open days during the year; these will be publicised in the local authority's secondary admission booklet. Arrangements for visits outside of these dates can be made through the academy office, Tel 01733 233014.
- 1.1.4 The academy will consult on the admissions arrangements at least once every seven years or if there are changes made to the arrangements. This policy is consistent with all other policies adopted by OAT / the academy and is written in line with current legislation and guidance.
- 1.1.5 This policy is consistent with all other policies adopted by OAT / the academy and is written in line with current legislation and guidance.

1.2 Monitoring and review

- 1.2.1 This policy will be reviewed annually or in the following circumstances:
- Changes in legislation and / or government guidance
 - As a result of any other significant change or event
 - As the result of a decision of an Adjudicator
 - In the event that the policy is determined not to be effective
- 1.2.2 If there are urgent concerns these should be raised to the Dennis Kirwan - Principal in the first instance for them to determine whether a review of the policy is required in advance of the review date.

2. Academy admissions

2.1 The academy admits students between the ages of 11 to 19. The main intakes are: year 7 and 12

- Secondary
- Sixth form

2.2 We encourage entry at the academy's main intake time so as to aid academic progression without interruption; however, applications are welcome for entry in any year.

2.3 Definitions

2.3.1 The academy uses the following definitions when applying this policy:

2.4 Distance

2.4.1 In cases of equal merit, priority will be given to the child living nearest the school as measured by a straight line. Distance is measured in a straight line using the Local Land Property Gazetteer (LLPG) provided from the seed point located at the child's home address to the seed point for the school. The seed point is taken from the ordinance survey's (OS) Address-Base dataset. It is used to locate individual residential and school addresses using grid references as seed points. It may be necessary to use other OS maps or online resources for any home address outside of the Peterborough local authority distance measuring system.

2.4.2 In the case of flats, the priority is that of floor level i.e. ground, first, second etc. in that order. In cases of exactly the same measurement where no differentiation can be established, a lottery will be used to decide the allocation of the place. For late applications, the local authority will allocate places in the same order of priority. In cases of equal merit, priority will be given to the child living nearest the school as measured by a straight line as above.

2.4.3 A child is regarded as having been in state care in a place outside of England if they were accommodated by a public authority, a religious organisation or any other provider of care whose sole purpose is to benefit society.

2.5 Dual address

2.5.1 Where a child lives at two different addresses, the 'home' address will be determined as the address at which the child resides for the majority of school nights. School nights are Sunday night to Thursday night inclusive. In a case where the child spends an equal number of school nights at each address, then the address where the child benefit is paid will be used. Where no child benefit is claimed the address used to register the child with a doctor will be used.

2.6 Siblings

A sibling is defined as:

- A brother or sister (including half brothers or sisters) who shares one or both parents, whether or not resident in the same household
- A step brother or sister where the two children are related by a parent's marriage
- An adopted or foster child living in the same household under the terms of the residents order
- Another child living in the same household where the adult has parental responsibility
- Peterborough City Council will endeavour to allocate children of multiple births at the same school. If the last child allocated was a child of a twin or multiple birth we will look to allocate both children to the school and place the school over the Published Admissions Number as a child of a multiple birth is an exception under the Infant Class Size Legislation rules.

2.7 Eligibility criteria

2.7.1 Entry to the academy is subject to the regulations regarding nationality, residency status and eligibility to study in the United Kingdom. Students / pupils are eligible to be admitted to the academy if:

- They are British citizens and / or EU nationals
- They are a non EU national that has –
- 'Exceptional' or 'Indefinite Leave to Remain' in this country
- Refugee status

2.8 Waiting list

2.8.1 If the number of applicants exceeds the number of places available, children who have been refused a place will be automatically placed on a waiting list unless there is a specific request that this should not happen. The child may gain entry to the academy if a place becomes available.

2.8.2 The academy will maintain a waiting list until 31 December following the main academy intake. Each added child will require the list to be ranked again in line with the academy's oversubscription criteria in which the application was originally considered. Priority will not be given to children based on the date their application was received or the date when they were added to the list.

2.9 Withdrawal of a place

2.9.1 The academy will only withdraw an offer of a place if:

- The place was offered in error
- Acceptance of the place was not received in a reasonable period of time
- The offer was obtained through a fraudulent or intentionally misleading application (the academy may request evidence to ensure the child meets the admissions criteria) – if this occurs the application will be considered afresh

2.9.2 The academy will not withdraw the place if the student has started at the academy unless the place was obtained fraudulently. If this is the case then the academy will decide whether to

withdraw the place based on the circumstances including the length of time the child has been at the academy.

2.10 Determining arrangements and consultation

2.10.1 Admissions arrangements will be set annually, this will happen even if there are no changes from previous years and a consultation is not required.

2.10.2 If the academy changes any significant aspect of the admissions procedure then OAT will be informed prior to making changes and beginning the consultation process. Any significant changes proposed by the academy must be approved by OAT.

2.10.3 The academy will consult on admissions arrangements when changes to the academies arrangements are proposed (no consultation is required for an increase in PAN or changes to ensure compliance with the admissions regulations). Where the admission arrangements have not changed from the previous year there is no requirement to consult, subject to the requirement that we must consult on their admission arrangements at least once every seven years, even if there have been no changes during that period.

2.10.4 We will publish any consultation for admissions on our website and notify appropriate stakeholders. If there are any substantive responses to the academy's consultation then these will be sent to OAT. Any subsequent changes will be made will be in consultation with OAT.

2.10.5 Once our admissions arrangements have been determined we will notify the appropriate bodies and publish a copy of the determined arrangements on our website.

2.11 Admission of children outside their normal age group

2.11.1 Parents may seek a place for their child outside of their normal age group, for example, if the child is gifted and talented or has experienced problems such as ill health. If parents wish to do this they must contact the Principal in the first instance. Contact with the academy must be made at the earliest opportunity to avoid any delays in the application process.

2.11.2 The decision whether a child is admitted outside of their normal age group will be made on a case by case basis by the academy's governing body. A panel of at least three governors will consider the admission request based on the student's:

- Academic ability
- Social and emotional development
- Views of the parents and principal; and
- Any additional relevant information available

2.11.3 The panel will have to be satisfied that the child would be able to cope with the work of the year applied for and that the student would be able to cope with the personal development whilst being with a year group who are of a different age. In order to support any application parents will need to submit evidence to demonstrate that the admission into a different year group is in the best interests of the child.

2.11.4 Once the governing body has made a decision the child can then apply to the academy using the process detailed in this policy. Parents have a statutory right to appeal against the refusal of a place however this right does not apply if the child is offered a place at the academy but it is not in their preferred age group.

2.12 Complaints about admissions arrangements

2.12.1 Any person, or body, can make an objection to the Schools Adjudicator when they consider the academy's arrangements are unlawful, or not in compliance with the School Admissions Code / relevant legislation relating to admissions.

2.12.2 Complaints about the appeals panel can be made to the Secretary of State.
