Purpose of the policy

This policy confirms that Ormiston Bushfield Academy reserves the right to exercise discretion whether to allow food and drink in the examination room, and confirms:

- the correct procedures are followed regarding food and drink in the examination room
- appropriate arrangements are in place for the management of food and drink in the examination room

1. Food and drink in the examination room

- Food and drink is allowed in the examination room at the discretion of the head of centre (ICE 18.2)

To enable invigilators to check these items quickly and efficiently:

- food brought into the examination room by the candidate must be free of packaging and in a transparent container
- drink bottles must be transparent with all labels removed which would include transparent, reusable plastic bottles (ICE 18.2)

The following arrangements are applied at Ormiston Bushfield Academy:

Water is allowed in the exam room following the rules from the ICE Booklet. Students are reminded to remove labels and have clear bottles prior to the exam series and before each exam session.

Additional centre-specific arrangements:

Food is not allowed in the exam room unless students have a medical condition like Diabetes. For this arrangement, the student follows the rules as set out in the ICR - food must be free of packaging and in a transparent container.
