Dear Parent/Carer,

Ormiston Bushfield Academy have updated the ICT Acceptable User Policy and E-Safety Policy for Year 12 and Year 13 students. The updated policies can be found on the school website, alternatively, click here to access the policy document. Please read the document carefully and ensure that your child has read the policy and understood the terms of use.

In order for personal electronic devices such as laptops or tablets, to be connected to the school network, parents/carers and students must sign the Acceptable User Agreement. Once this has been completed, students will then be notified of a time/date to take their device to the IT team.

You can access the Acceptable Use agreement via the link below:

<https://forms.office.com/e/RaNUAyHFEi>

Students will be expected to comply with the Acceptable User Policy and E-Safety Policy at all times whilst using IT equipment within the Academy. Failure to do so will result in network access being withdrawn and removal of device if purchased through the 16-19 Bursary and further sanctions in line with the Academy Behaviour policy.

Yours sincerely,

Amie Horsfall
Sixth Form Co-ordinator (Academic)

Helen Parkes
Sixth Form Co-ordinator (Pastoral)
