Introduction

It is the responsibility of the head of centre to ensure that Ormiston Bushfield Academy has in place for inspection a written conflicts of interest policy that must be reviewed and updated annually. This policy confirms that Ormiston Bushfield Academy:

Manages conflicts of interest **by informing the awarding bodies**, before the published deadline for entries for each examination series, of:

- any members of centre staff who are taking qualifications at their own centre which include internally assessed components/units
- any members of centre staff who are teaching and preparing members of their family (which includes step-family, foster family and similar close relationships) or close friends and their immediate family (e.g. son/daughter) for qualifications which include internally assessed components/units, **and**

maintains internal records of all instances where:

- exams office staff have members of their family (which includes step-family, foster family and similar close relationships) or close friends and their immediate family (e.g. son/daughter) being entered for examinations and assessments either at the centre itself or other centres
- centre staff are taking qualifications at their own centre which **do not** include internally assessed components/units
- centre staff are taking qualifications at other centres (GR 5.3)

Purpose of the policy

The purpose of this policy is to confirm how Ormiston Bushfield Academy manages conflicts of interest under normal delivery arrangements in accordance with the regulations.

General principles

A process is in place to collect any declarations of interest from all centre staff to identify and manage potential conflicts of interest

Declaration process

An electronic declaration of interest form is sent to all teaching staff in the Autumn term. Completed forms must be returned to the Exams Officer by the end of November.

Managing conflicts of interest

A conflict of interest log is maintained and any potential conflict declared by centre staff is recorded on the log. The relevant awarding body/bodies is/are informed (where required by the nature of the conflict) of specific conflicts of interest before the published deadline for entries for the exam series by identifying and following the awarding body's administrative process. The agreed measures/protocols taken/put in place to mitigate any potential risk to the integrity of the qualifications affected are recorded on the log and affected member of staff informed of these measures/protocols.
