## 1. Summary

The 16 to 19 Bursary Fund provides financial support to help students overcome the specific financial barriers to participation they face so they can remain in education.

There are two types of 16 to 19 bursaries:

- **Vulnerable Bursary** - For young people in one of the defined vulnerable groups.
- **Discretionary Bursary** - Awarded by the Academy to meet individual needs i.e. help with the cost of transport, meals, books and equipment.

You can find all the files required and the online application form using the following link:

<https://www.bushfield.co.uk/sixth-form>

## 2. Eligibility Criteria

For students to be eligible for the Bursary fund, students must meet the age and residency criteria as listed below:

- Be aged over 16 and under 19 on 31st August 2026 or 19+ with an Education, Health and Care Plan (EHCP) or continuing on a course you started aged 16 to 18 (known as being a '19+ continuer').
- Be enrolled should be enrolled as a full time student on three level 3 courses.
- Meet the ESFA's residency criteria as set out in the ESFA Funding Guidance.

## 3. Bursary Groups

This policy meets the requirements of the Department for Education's (DfE) 16-19 Bursary Fund Guide 2026/27, providing pupils with the opportunity to benefit from the fund at different levels according to individual circumstances. There are three groups at whom the academy policy is directed:

- **Bursary Level 1 – Vulnerable Student Bursaries**

The Academy can approve up to £1,200 of bursary funding which will be paid to students who are in one of the following 'vulnerable groups' as defined by the EFSA:

- In Care or Care Leaver
- Receiving Income Support or Universal Credit in their own right
- Receiving Disability Living Allowance or Personal Independence Payment in their own right and Employment Support Allowance or Universal Credit in their own right

- **Bursary Level 2a – Discretionary Bursaries (household income below £16,000 per annum) or where a student is eligible for a free school meal.**

This is based on the financial position of the student's family, and their needs to continue in education. To be eligible, the student's family household income must be **below £16,000** per annum, to include income from employment, pensions payments, jobseekers allowance, all tax credits including child tax credit and working tax credit, however, child benefit may be excluded.

- **Bursary Level 2b – Discretionary Bursaries (household income below £25,000)**

This is based on the financial position of the student's family, and their needs to continue in education. To be eligible, the student's family household income must be **below £25,000** per annum, to include income from employment, pensions payments, jobseekers allowance, all tax credits including child tax credit and working tax credit, however, child benefit may be excluded.

- **Bursary Level 3 – Discretionary Bursaries (for pupils not in the above category) \*\* Applications / Requests accepted from February 2027 only\*\***

The 16-19 Bursary Fund is limited. If funds remain after the above bursaries, students not in receipt of the above bursaries may apply towards the costs of transport, equipment, school trips in the UK, visits to universities etc. Decisions will be made on a case by case basis and must demonstrate a real need for assistance. Students applying will be required to provide evidence of family income. Evidence of payment of costs will be required (please ensure you keep receipts where possible).

## 6. Assessment Procedure

The awards listed below are the maximum payments which can be made subject to the numbers of students who are accepted and **are not guaranteed**. They will be determined according to family income and costs expected by the student.

The amounts awarded to each student eligible for a level 2 bursary will also be determined by the total number of students who apply successfully before the deadline. The Bursary fund is a finite amount and, in cases where there are high numbers of eligible students, each student may receive less than the maximum. The Academy will seek to ensure total payments do not exceed funding provided by the DfE.
